SAMPLE 4-DAY ITINERARY

DAY 1

Bike the American River Bike Trail to Folsom: Rent a bike from Trek Bicycle and hit the trail for 32 miles of beautiful scenery along the American River.

Lunch at Samuel Horne's Tavern: Once in Old Historic Folsom, enjoy some lunch on Sutter Street. This little gem is a beer lover's dream. The draft selection changes constantly and most are local and highly-rated Californian beers.

Gekkeikan Sake: Established in Folsom, California in 1989, it's a state-of-the-art brewery with a beautiful koi pond and Japanese garden. The tasting room offers complimentary tasting of "Kobai", their latest plum wine, as well as a variety of their locally produced sakes.

Train back to Sacramento: Your ride back on the American River Bike trail can be a great way to unwind after a lunch but another option is the Sacramento light rail which departs directly from Sutter Street and yes, you can bring your bike on board and relax!

Dinner at the Shack: Take a stroll through downtown and midtown to beautiful East Sacramento for dinner. The Shack has over 100 beers in bottles and on draft and has been serving Sacramento since 1931! Also in East Sacramento: Porchlight Brewing, Sactown Union Brewery, Sac City Brews and Sac Yard Community Tap House.

Suzie Burger hosts a Midtown Cruise every second Saturday of the month.

DAY 2

JUMP Bike: Sacramento is perfect for cruising ...no hills, plenty of protected bike lanes, shady streets and countless cafes and shops. Grab a JUMP bike anywhere in town and cycle around with some electric assist. Make sure to pick up a breakfast beverage for the ride and secure it on your cupholder for a nice morning ride around the downtown and midtown areas.

Bike Dog Brewing & Sellands Market-Cafe: Take a short bike ride up the river and onto Broadway to enjoy a beer at Bike Dog Brewing, co-founded by four Sacramentans with a love for bikes, dogs and craft beer.
