## About Los Cabos

Located at the tip of the Baja California Península, Los Cabos is made up of two cities, San José del Cabo and Cabo San Lucas, joined by a 32 km corridor. Boasting a dramatic desert backdrop nestled by coastlines of the Pacific Ocean and Sea of Cortez, it's home to award-winning resorts & culinary offerings, championship golf courses, celebrated spas, world-renowned sport fishing tournaments, and state-of-the-art convention facilities.

The collection of over 80 resorts available in Los Cabos, with more than 18,000 rooms, offer high quality accommodations with All Inclusive or European plans, allowing travelers to choose from a more traditional concept to the most modern and luxurious.

The amazing Sea of Cortez, named "The Aquarium of the World" by Jacques Cousteau, invites visitors to partake in many adventures, such as a boat trip to "The Arch," a rock formation in the shape of a giant, striking arch.

When you add in the chance to kayak, snorkel and stand up paddle, the experience is unforgettable. The camel adventure is another great activity that allows travelers to take a walk in the desert along the sea. Your trip will be a success when you swim with dolphins, take surf lessons, come close with whale sharks, and so much more.
