## ALL DAY & ALL NIGHT

Any time is the best time for outdoor lovers to visit Tahoe South. The region abounds with outdoor recreation for all levels all year. From winter snow sports to warm-weather mountain biking, hiking, paddling, and rock climbing, there are daylight thrills bathed in fresh mountain air for everyone.

After dark, the fun continues. Tahoe South attracts first-rate entertainers, from big-name outdoor concerts in the summer to year-round live gigs featuring musicians and comedians. Revelers can dance the night away with a top DJ, chance a big win at one of the gaming venues, or kick back with bottle service and the company of a few good friends.

## SUMMER LOVING & SNOW SHREDDING

Tahoe South enjoys an average of 300 days of sunshine each year. Warm weather adventurers, winter pow-seekers, and everyone in between will find their perfect day.

Speaking of perfect days, Lake Tahoe is famous for its "bluebird" ski days. With the sun shining and not one cloud in the sky, get ready for some of the most epic scenery of any winter shredding destination. World-class ski resorts and stunning backcountry trails beckon.

### BY LAND & BY WATER

There's a trail for every bike rider to explore. Cruise along easy, wooded trails; take to the road to tour the path of America's Most Beautiful Bike Ride; or opt for more rugged rides on mountain single track.

Water lovers can take the plunge with their own vessel or aboard a relaxing lake cruise. Kayaking, paddleboarding, river floating, and a historic paddle wheeler cruise rate highly among on-water activities. Thrill seekers will get their adrenaline pumping with powerboat rentals for waterskiing and wakeboarding, or let the experts drive for a parasailing adventure.

### LAID-BACK & LIVELY

Tahoe South accommodations range from comfortably rustic to downright luxurious. Patrons can enjoy being pampered in one of the full-service resorts, complete with spa and room service. Those traveling with pets will find many hotels and resorts to welcome their companions, as well as boarding services for times when pets need a break from their human pals.

Looking for an intimate space? Perhaps a cabin among the pine trees fits the bill. Boutique accommodations and vacation rentals serve visiting parties large and small.

### INSIDE & OUTSIDE

Discover a walkable space at the beating heart of Tahoe South's core. Heavenly Village features vibrant dining, shopping, and entertainment, all within an inviting, strollable district.

Visit unique shops and art galleries. Experience escape rooms and the Magic Fusion show at The Loft theater. Enjoy the panoramic views from the Heavenly Gondola. Hike the nearby Van Sickle Bi-State Park. Afterward, chill with a cold brew at one of the outdoor beer gardens.

### STAY PUT & GO FORTH

Tahoe South boasts majestic peaks, world-class accommodations, and the shimmering shores of "The Jewel of the Sierra"—Lake Tahoe. There's enough to pack visitors' schedules, either nearby or within the wider region.

Venture out to explore with Tahoe South as a home base. It's a beautiful daytrip to the nearby Carson Valley, where wild horses roam and legends such as Kit Carson and the Pony Express come alive. Then return to South Lake Tahoe to bask in the South Shore vibe.

CREATE MEMORIES IN WATER AND SNOW

BY KAYLA ANDERSON

*Tahoe South is an outdoor adventurer's paradise, offering year-round recreation in a majestic alpine environment. Whether you've traveled to South Lake Tahoe to play in the water or the snow—or on trails, in meadows, or on golf courses—you'll discover activities that will lead to memorable experiences.*

## SPRING // DISCOVER A WATERFALL

Springtime in Tahoe South includes the best of both worlds as the warming weather allows you to enjoy a multitude of sports in one day. It's quite common to see mountain bikes atop cars parked at the local ski resorts, with the plan to do some spring skiing in the morning followed by a mountain bike ride or hike in the afternoon. This is also the best time for a waterfall hike, as snowmelt creates energetic, picture-worthy flows.

The moderate hike to **Cascade Creek Falls** is great for families—rewarding the scramble through small boulders with lovely trailside cascades. This easy, yet rocky two-mile round-trip features excellent views of Cascade Lake, Emerald Bay, and Lake Tahoe.

Boasting a breathtaking backdrop of Emerald Bay, the trek to **Eagle Falls** gives hikers plenty of opportunities to capture some 'Grammable moments. This two-mile loop is of moderate difficulty with a 433-foot elevation gain. Wilderness permits are required and available at the trailhead.

**Glen Alpine Falls** is a South Lake Tahoe favorite because it's possible to get so close to the cascading waters that one can feel the mist directly from the trail. The path to get there is just as pretty as the falls themselves, which vigorously flow over a staggered set of granite rocks.

While there are no waterfalls on the hike to **Aloha Lake** in **Desolation Wilderness**, this destination is a worthy trip nonetheless. The 12.5-mile loop starts at the lower end of Echo Lake and follows the rocky shoreline into the trees, eventually ending at Aloha. The small bodies of clear, blue water dotting the granite landscape are a spectacular sight to see and a fun, cooling splash. To shave some miles off the journey, take the boat taxi from one end of Echo Lake to the other. Wilderness permits are required, and there is a self-serve area at the trailhead.

## SUMMER // GET ON THE LAKE

As mid-year temps climb into the sizzle zone in the valleys, South Lake Tahoe's mountain altitude offers reprieve from the heat. And so does Lake Tahoe—the crystal-clear, blue water beckons all to its refreshing shores. The **Lake Tahoe Water Trail** is a perfect way to begin, with 72 miles of signed shoreline paddling for all experience levels. For personal direction and recommendations, as well as all the gear you'll need, Tahoe South's water equipment rental shops can help get you right out on beautiful Lake Tahoe.

Hop on a stand-up paddleboard (SUP) from **South Tahoe Standup Paddle** for their Rise & Shine Morning Tour that explores areas of the lake only accessible via human-powered vessel. Starting from El Dorado Beach, you'll paddle your way into an estuary where bald eagles and other native wildlife are often spotted. For a fun and convenient glide through the

water, consider **Tahoe Sports**, which offers half- and full-day SUP rentals at Ski Run Marina.

If sitting down is more your style, then view the huge boulders and other features beneath the water's surface from the seat of a kayak. Start your explorations from Nevada Beach, Timber Cove Marina, Pope Beach, Baldwin Beach, or Vikingsholm Beach with **Kayak Tahoe**, or take full advantage of Lake Tahoe's crystal-line water with a tour or rental through **Clearly Tahoe**, South Lake's only provider of transparent kayaks.

Looking for a faster ride? Enjoy the refreshing breeze and cool spray of water from behind the controls of a powerboat or personal watercraft. **Tahoe Sports** offers rentals in the Tahoe Keys and at Ski Run Marina, while **Action Watersports of Tahoe** rents its rides at Camp Richardson Historic Resort and Marina as well as Lakeside, Timber Cove, and Round Hill Pines marinas.

## FALL // TAKE A CRUISE

Dying to get out on Lake Tahoe with someone else at the helm? The crisp days of fall make a perfect time to sit back, relax, and enjoy Tahoe's landmarks on a scenic cruise.

South Lake Tahoe's paddlewheeler, the *M.S. Dixie II* at Zephyr Cove, carries up to 500 passengers to Emerald Bay on daytime tours and dinner cruises. For a more private, upscale experience, Zephyr Cove's 82-foot, two-story *Tahoe Paradise* yacht features a dining room, sun deck, and full bar for ultimate fun and incredible sightseeing out on the water.

To do a Tahoe boating experience in style, climb aboard the 1953 Chris-Craft named the *Golden Rose*. On the luxurious *Tahoe Tastings* cruise, sample eight fine wines while enjoying a tranquil tour through the Tahoe Keys and Emerald Bay. Seats are limited and fill up fast on this vintage wooden yacht, so be sure to reserve in advance.

Bring along five of your closest friends for a fun-filled, private powerboat tour with *Lake Tahoe Boat Rides*. Enjoy the sights as your knowledgeable captain navigates the waters and regales tales of lake life and the region's history.

Savor your mid-day meal in style aboard the *Tahoe Bleu Wave*. Reserve a spot for a public lunch or wine tour on this classic, luxury 70-foot yacht, complete with fireplace and party bow. If you'd rather have the vessel to yourself, private cruises are also available.

More interested in what's in the water than the sights around it? South Lake Tahoe's fishing charters provide friendly guides, equipment, and the chance to catch mackinaw, trout, and maybe some salmon. A visit to *Tahoe Sport Fishing* is a great starting point for visiting anglers.

## WINTER // IT'S SNOW MUCH FUN!

Mother Nature graces Lake Tahoe with a variety of play for snow enthusiasts. Pair that with the region's plentiful sun, and the scene is set for perfect bluebird powder days.

Skiers and snowboarders of any ability can find secret powder stashes, fun terrain parks, and wide trails at Tahoe South's three downhill resorts. At **Heavenly Mountain Resort**, Lake Tahoe's largest ski resort, gate-accessed steepes in Killebrew or Mott Canyons appeal to true adrenaline junkies while the resort's 47 groomed intermediate trails provide fun for all. West of the village, Heavenly's sister mountain, **Kirkwood Mountain Resort**, seems to have its own weather system, as the snow is always plentiful. Its 2,300 acres of terrain consists of snow-blanketed ridgelines, cornices, and chutes. Off Highway 50, about half an hour from the heart of South Lake Tahoe, the freestyle skier and snowboarder playground of **Sierra-at-Tahoe** promises stimulating terrain parks and a hip vibe.

For trekking in the backcountry or around the lake by cross-country ski or snowshoe, **Camp Richardson Mountain Sports Center** is the place to go. Enjoy a sunny winter walk alongside the glistening lake, or glide through the trees on the Eagle Ski Trails. On Highway 88, before the turn onto Kirkwood Meadows Drive, **Cross Country & Snowshoe Center at Kirkwood** is one of Tahoe South's largest cross-country centers. Take advantage of 37 miles of groomed trails with dedicated snowshoe and skating lanes. For something more remote, try the moderate 2.5-mile loop around **Spooner Lake**, a reservoir that is usually frozen over in the winter. While there are no services at Spooner, groomed trails lead skiers through the snow beneath Jeffrey pines and aspens.

Looking for more snow play? **Heavenly Mountain Resort** offers on-snow tubing at the top of the gondola, **Hansen's Resort** leases snow saucers and tubes, and **Adventure Mountain** on Echo Summit has several groomed lanes with sled rentals. Within an easy walk from a few hotels, **Tahoe Snowmobiles** in Stateline also features a tubing hill as well as snowmobile rentals.

*What does it mean when you plan a getaway to Tahoe South? It means no matter who your traveling companions are, you'll impress them with your choice—Tahoe South is the definition of a “perfect vacation destination.”*

## TIME FOR TWO

As a romantic getaway, Tahoe South is regularly featured on “top destination” lists. For the couple that hikes together, skis together, bikes together, or just wants to kick back together, this mountain oasis has vacations for two perfected.

Breathe in the sweet alpine air, and greet the dawn of a new day with one of the most picturesque hot air balloon adventures around. **Lake Tahoe Balloons** offers a private flight for two, complete with refreshments, for that special occasion. Soak in the stunning vistas of North America's largest alpine lake—and maybe sneak in a proposal from high atop the Sierra.

For those who prefer to be closer to the ground, explore both water and wine on a romantic cruise on the clear blue lake. The wine cruise on the luxurious *Safari Rose* allows couples to mingle with some of California's top winemakers, pairing good wine with delicious appetizers and unparalleled scenery.

## FAMILY ACTION

Winter visitors can introduce their kids to the white stuff; snow play, including tubing, sledding, or building snowmen, is right at hand. Head to the tubing and snowmobile track by **Tahoe Snowmobiles**, opposite Mont-Bleu Resort Casino & Spa, or try out tubing or mini tubing at **Heavenly Mountain Resort**. Purchase a Sno-Park permit from California State Parks to access one of several parks in the area where you can take your own gear. For those wanting a bit more of a rush with the ease of equipment rental and groomed slopes, look to snow parks such as **Adventure Mountain** or **Hansen's Snow Tube and Saucer Hill**.

Summer guests can rent paddleboards or kayaks to explore the clear waters of the lake shoreline. Join in the summer series of Wednesday paddleboarding races at **Lakeview Commons**, then return the following night for an evening concert paired with tasty choices from local food vendors.

An Adventure Pass for **Epic Discovery** at Heavenly Mountain Resort opens up a world of extraordinary activities. Family members big and small can select their own thrills from among hiking tours, climbing walls, adrenaline-pumping zip lines, and an exhilarating mountain coaster.

Miniature golf lovers can swing for par at two local mini golf courses. **Magic Carpet Golf** is a fun tradition featuring a pirate ship and engaging obstacles. During the summer months, the middle of **Heavenly Village** is transformed to accommodate the second mini golf venue. Hit a few holes, then grab a bite to eat or catch a movie at the nearby cinema. In the winter, the Heavenly course is converted into a magical ice-skating rink. Families can treat themselves to hot chocolate, pizza, and a variety of outdoor games after time on the ice.

When it's time for a more leisurely pace, immerse the family in Tahoe's storied history. **Tallac**

Ten airlines serve **Reno-Tahoe International Airport**, with 130 daily flights from across the US and Guadalajara, Mexico. **South Tahoe Airporter** can shuttle your attendees to six resort hotels in a comfortable one-hour drive. Other transportation services offer several options to get you to your location.

## EXPLORE THE HIGH SIERRA BY BOOT OR BY BIKE

BY QUINCY KOETZ

Lake Tahoe is the crown jewel of the High Sierra and a paradise for winter sports enthusiasts. When the snow melts, Tahoe South's glory continues to shine on thousands of alpine trails. Whether on two feet, two wheels, or four hooves, a venture into Tahoe's exceptional outdoors will leave you with hundreds of picture-perfect memories.

♦ **EASY // RAINBOW TRAIL //** Family-friendly and wheelchair-accessible, the Rainbow Trail is an easy trek that doesn't skimp on views or on opportunities for wildlife watching. Located near the Taylor Creek Visitor Center and Baldwin Museum at Tallac Historic Site, this 0.6-mile loop weaves through a lush forest and untrampled wetlands.

Keep a camera ready on this gentle stroll—you'll want to snap some photos at the Stream Profile Chamber. This aquarium-like viewing panel gives a below-the-surface glance into a diverted section of the free-flowing alpine stream. October brings the yearly spectacle of the kokanee salmon run, when the bright red fish number in the tens of thousands on their upstream journey.

THE PANORAMIC VIEWS  
ALONG THE ASCENT ARE  
WORTH THE CLIMB.

Regardless of the season, pack a pair of binoculars and a wildlife guide, as this is also one of the best birding locations in the region.

◊ **INTERMEDIATE // RUBICON TRAIL //** There is arguably no better view of the awe-inspiring Emerald Bay than from its crystalline shoreline along the Rubicon Trail. Most visitors choose to traverse this trail point-to-point, starting at the Vikingsholm Trailhead and concluding at Rubicon Point. The total distance for this one-way trek is 4.6 miles.

Start with a tour of Vikingsholm Castle, a striking example of Scandinavian architecture, built in 1928–29. From here, the trail follows the cliffy shore on its way to the bay's entrance. Take a brief side trip at 2.2 miles to enjoy the view from Emerald Point, a favorite among photographers. Return to the trail and take a dip at one of Tahoe's more isolated beaches. As the trail continues, it

gains elevation and passes by a historic lighthouse before heading back down to the parking lot at the Rubicon Point Trailhead.

◊ **CHALLENGING // RIM TRAIL CONNECTOR, VAN SICKLE BI-STATE PARK //** Intrepid and athletic hikers should certainly try the popular Rim Trail Connector hike. This five-mile, out-and-back trail begins in Van Sickle Bi-State Park, adjacent to Heavenly Village.

The steep route provides panoramic views along the ascent that are worth the workout. After 1.7 miles of climbing from the parking lot, hikers encounter a waterfall—a perfect spot for a snack break. Abundant solitude marks the remaining stretch of the trail as it continues its ascent. At its conclusion, the trail meets up with the Tahoe Rim Trail, a signature route in the region that circumnavigates all of Lake Tahoe.

### BIKE IT

#### ◉ EASY // CAMP RICHARDSON BIKE PATH

// Biking trips around Lake Tahoe vary as much as the hikes—there are enough flat, paved cruises and daring downhill single track to suit every desire. A great warm-up ride is the Camp Richardson Bike Path, which starts on the west side of South Lake Tahoe and runs parallel to Highway 89 for 3.6 miles one way. The route is almost entirely flat and winds through characteristic evergreen forests of the Sierra Nevada.

Don't worry about bringing a bike. **Anderson's Bike Rentals** is just off the highway, and their fleet includes everything from beach cruisers to full-suspension mountain bikes.

#### ◉ INTERMEDIATE // CORRAL DOWNHILL //

Mountain bikers who are new to backcountry riding should check out the Corral Downhill. It's challenging for most and a dependable thrill for the experienced. Starting near the town of Meyers, this single track is a heart-pounding 2.2 miles of sharp turns, steep hills, and enough features to make the ride different every time.

#### ◉ CHALLENGING // MR. TOAD'S WILD RIDE

// Of the hundreds of miles of single-track trails in Tahoe, none is more iconic than Mr. Toad's Wild Ride. If Tahoe's views and altitude don't take your breath away, this trail will.

The excitement of the ride comes from the 2,500-foot descent in just five miles. Almost immediately, the riding gets technical as bikers negotiate a controlled descent of boulder fields and rock gardens. Though challenging to novices, skilled

riders love the innumerable jumps and airtime. The latter two-thirds of the trail softens slightly but continues with hairpin turns and steep drop-offs. This ride takes focus and preparation, making it a true rite of passage for High Sierra mountain biking.

Although intense, the trail is bathed in alpine glory as it whips through forest and meadow and follows Saxon Creek. Not wanting to miss out on the action, hikers also hit this trail for its pristine wilderness.

## TAHOE AT A TROT

The spirit of the Pony Express still rides through South Lake Tahoe, and wranglers of all abilities will enjoy the extensive equestrian trails that meander through the region. On Tahoe's southern shores, the professionals of **Camp Richardson Corral** accommodate all levels of experience on horseback rides ranging from one hour to half a day. The horses and ponies are as gentle as the guides, ensuring everyone enjoys a memorable sojourn along the lake's azure waters.

**Zephyr Cove Stables'** guides lead rides along Tahoe's eastern shore. High in the historic Carson Range, their rides meander through a lesser-seen side of the lake. Their one- to two-hour rides through this serene territory are sure to bring out the inner cowgirl or cowboy in every rider.

## TAKE IT TO THE STREETS

Each summer brings a flurry of organized rides and legendary competitions for road biking in Tahoe. Longtime residents and visiting bikers alike eagerly anticipate the aptly named **America's Most Beautiful Bike Ride** in June. Choose from the iconic 72-mile loop around the lake, a 100-mile option, or a 35-mile ride, each with rosters full of other enthusiasts and with abundant support along the way.

The early fall brings another great organized ride to the streets of South Lake Tahoe. The **Tour de Tahoe—Bike Big Blue** event offers riders the 72-mile lake circuit in dependably temperate weather.

FIRST TRACKS PRODUCTIONS

Tahoe's immense natural beauty often scores a heralded section of one of the biggest road races in the country: the **AMGEN TOUR OF CALIFORNIA**. This competition attracts riders from around the world, including some from the Tour de France as well as Olympic cyclists. ## RAISE YOUR PINT TO TAHOE SOUTH'S GROWING BREWERY SCENE

BY NATASHA BOURLIN

*Craft brew aficionados will find utopia on the south shore of the lake, where brewers flock to share their creative concoctions with imbibers.*

### THERE'S A MAP FOR THAT

Get started by downloading the **South Tahoe Beer Trail** map at [tahoesouth.com](http://tahoesouth.com). You'll find a glorious guide to all of Tahoe South's hopped-up creations. All breweries serve food, sell snacks, or allow you to bring in your own. Many also feature great deals for happy hour and allow furry, four-legged friends to sidle up to the bar or tables, too.

Some selections are inspired by Tahoe's seasons, allowing brewers to push their imaginations further. Most also have guest taps to share the love with featured fellow brewers both near and far.

### WHAT'S ON TAP?

Trekking to Tahoe's best breweries elevates any area visit in many mouthwatering ways.

Upon entering **South Lake Brewing Co.**, the distinctive aroma of hops and fermentation greets guests. This sprawling, humming brewery is decked out with an industrial-inspired interior, plenty of seating, plus 16 taps touting a wide array of beers being made before your eyes.

While sipping signature brews like Trail Builder pale ale or Marlette Sunrise, a blood orange-infused blonde ale, challenge your companions to a game of cornhole or ping-pong. Try several options at once with a flight served up Tahoe-style—atop a ski or snowboard—or take some of their canned beers on an outdoor adventure. Fido can come, too.

Nearby, **Lake Tahoe AleWorX** lets curious beer-lovers explore their options before committing with dozens of serve-yourself taps. After presenting a form of payment, guests

are given a glass and a card that's their magical key to unlocking all of the brewed goodness. Customers are in complete control of their pour, sampling as little or as much as they'd like.

Check out their pale, unfiltered, easy-drinking lager, Cali Common, or other beers they feature from guest breweries. Soak up the suds with a delicious, gourmet, wood-fired pizza or sandwich. The brewery's friendly vibe is often enhanced by live music. Can't get enough AleWorX? Visit their wood-and-copper-laden Stateline location.

JOSHUA ROE/LAKE TAHOE VISITORS AUTHORITY

Head to **The Hangar** if not tied to trying just Tahoe brews. With 30 taps, several pouring local ales, and a fridge teeming with cans and bottles from around the globe, this cozy bottle shop and tap house specializes in beers that are tough to find in Tahoe.

If you're on a gluten-free mission or pining for cider or—gasp—even something nonalcoholic, The Hangar is your place. Take over a table inside, or head to the expansive courtyard embraced by the forest and replete with chairs, games, and firepits. For those traveling with four-legged friends, you'll find your canine companions welcome there, too.

Set in the Swiss Chalet Village, **Cold Water Brewery & Grill** captures its alpine setting both inside and out. A quaint patio with firepit invites guests outside, while the comfortable, spacious interior is perfect for exploring the broad menu packed with bar and comfort foods, proteins, and healthier options.

Cold Water's signature beer, Mr. Toad's Wild Rye, has a memorable flavor, while their hop-heavy Artic IPA brings a touch of the tropics to Tahoe. A small tasting room and homebrew supply shop next door provide a more personal experience with their beers.

Hang with the locals at **Sidellis Lake Tahoe Brewery & Restaurant**. Nearly every inch of this dog-friendly brewery's

## LOCAL SPIRIT

Tahoe South's local libations are not limited to craft brews. Discover these other regional distilled options.

**The Bently Heritage Estate Distillery** in Minden offers tours of the historic mills that now serve as their distillery. Taste their vodka and gin made from estate-grown grains, or pick up bottles to take home.

**Tahoe Blue Vodka** makes the perfect Lake Tahoe memento, plus lets you contribute to the protection of the lake due to their philanthropic donations with every purchase. Tahoe Blue gets its smooth, sweet-finishing flavor from grapes, corn, and sugar cane. It's high proof when distilled and lessened using pure Tahoe water. While there is no distillery to tour, retail bottles are ubiquitous around the lake.

## TAPS ON TOUR

Can't decide on a brewery? Try several with **Tahoe Brew Tours**. They'll transport you by van to three top Tahoe South breweries, where you'll be seated and served instantly, VIP-style. Each stop includes a flight and a tour of the brewery, with appetizers served at one stop.

interior is covered in wood, evoking its rustic surroundings. Imaginative beers brewed in-house are bountiful at this boutique brewery.

Poured alongside easy-drinking staples like their lightly hopped O.B. Amber are inspired flavor combinations such as their Clockwork White, with notes of coriander and orange. Other brews are aged in tequila or chardonnay barrels, then mingled with fruits. Flights are presented in locally carved, Tahoe-shaped paddles. Games and puzzles further entertain, while sandwiches, salads, appetizers, and snacks feed hungry patrons.

If there weren't so many tables and, well, a big bar, you may feel at home in Tahoe's first brewpub, appropriately named **The Brewery at Lake Tahoe**. Since 1992, mouthwatering brews like their Bad Ass Ale have been poured in this 1930s brick home nestled in the heart of South Lake Tahoe.

A massive menu boasts everything from burgers and wraps to appetizers and hearty entrées for noshing while sipping their selections. Characteristically Tahoe, sit inside surrounded by rustic, mountain-inspired decor or on the patio overlooking the bustling main drag.

Within walking distance of the Heavenly Gondola is **Stateline Brewery & Restaurant**. Five taps dispense their own ales, while several others showcase other brewers' skills. Live music keeps this place

hopping seasonally, while a robust menu sates appetites and signature beers like the hoppy Acclimator IPA and mellow Avalanche Ale quench thirst.

Housed in a former hotel suite at the Basecamp Hotel, **South of North Brewing Co.** turns out flavor-forward brews accompanied by live music daily. Friendly for both dogs and children, two rooftop decks overlook an ambiance-inducing Airstream, firepits, cornhole, a ping-pong table, and plenty of seating. Inside, brick, steel, and wood dictate the decor.

Local ingredients are sourced to craft the signature beers here. Popular pours include the smooth, balanced Space Tiger IPA, crisp Blue Bird Blonde, and several barrel-aged sours and stouts. Snacks and bar foods are also available.

## HIP HOTELS

Get away from it all in the heart of it all at **Lake Tahoe Resort Hotel**. Located next to the walkable, vibrant Heavenly Village, the hotel offers convenient access to delicious dining, one-of-a-kind shopping, and world-class gaming. Outdoor activities and plenty of golfing options are within easy reach, too.

**Hotel Azure's** tranquil, lakeview setting and contemporary decor make it a relaxing vacation retreat. The hotel's name and fresh styling pay homage to Tahoe South's crystal-blue waters, breathtaking azure skies, and soaring Jeffrey pines.

Voted one of the top nine most Instagrammable new hotels on the planet by *Vogue*, you'll fall in love with the vintage vibe of **The Coachman Hotel**. Mid-century modern chic, it features handcrafted wood furniture as well as an outdoor pool, hot tub, and s'mores-ready firepits.

Just a short walk away, **Basecamp Hotel** embraces Tahoe South's outdoor lifestyle with roomy and welcoming open-air common areas—including a beer garden—and hip, retro styling. For a stay like no other, book The Great Indoors room, complete with an in-room tent.

## MOUNTAIN-CABIN COMFORT

Buckingham Luxury Vacation Rentals, Lake Tahoe Accommodations, and the **Lake Tahoe Keys Resort** offer a wide variety of cabin rentals combining the rustic charm of mountain living with the comfort of contemporary design features.

Settle into one of **Zephyr Cove Resort's** 28 lake-front cabins, varying in size from cozy studios to four-bedroom, two-story chalets (sleeping 10). The resort's marina and beach open a world of water-related activities, or enjoy hiking, fishing, horseback riding, parasailing, snowmobiling, and more. After working up an appetite, head back to Zephyr Cove Restaurant for a hearty meal.

**BY CAR**

The South Tahoe area is accessible by car via Highway 50 from the east and west.

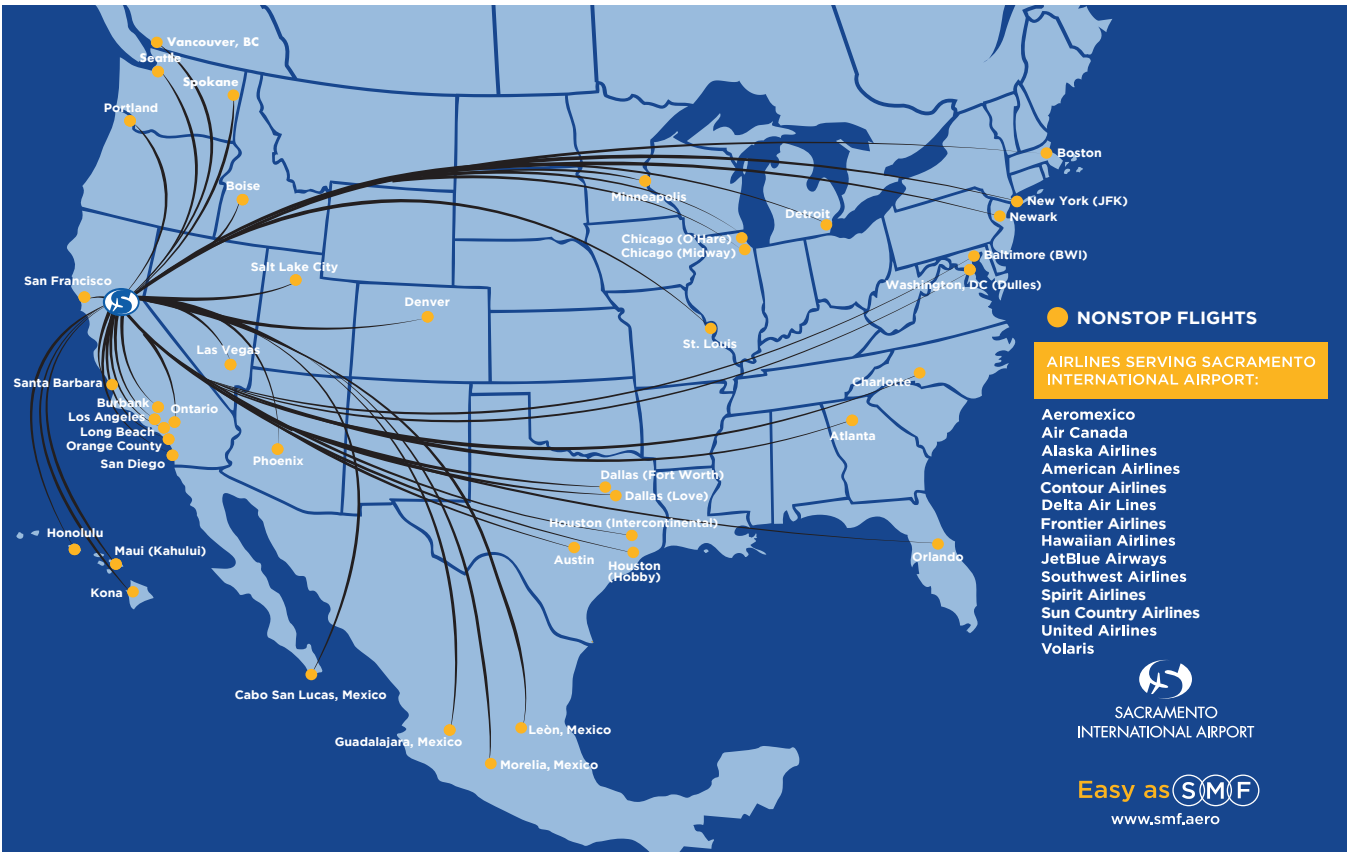

**AROUND TOWN**

You made it! Now ditch the car and find fun ways to explore all that Tahoe South has to offer.

**ON TWO WHEELS**

For getting from Point A to Point B, you just can't beat the convenience of South Lake Tahoe's **Lime Electric Scooters**. Download the app, find a scooter, scan your barcode, and you're off. Ride to your heart's content! When you're done, park where you are—you don't have to worry about returning your scooter to a shop.

Tahoe South's 50 miles of paved and dirt bike-friendly paths can keep you pedaling for days. If you're looking for self-powered fun on two wheels, it's worth visiting a local bike shop for a bicycle rental.

## ON FOUR WHEELS

The natural splendor of Tahoe South is, of course, part of its draw. To enjoy the scenery without having to worry about navigating, take advantage of local rideshare and micro-transport options. Stop at one of the Tahoe South Visitor Centers or go to [tahoesouth.com/driving-to-tahoe](http://tahoesouth.com/driving-to-tahoe) for a list of providers.

## ON NO WHEELS

Don't limit yourself to traveling by land. Part of the appeal of Tahoe South, after all, is that it's on a lake! In addition to providing beauty and recreation, the lake offers a quick and convenient way to commute from one Tahoe South destination to the next. **Water Taxi from Action Water Sports** will take you (and your bike) to several different marinas.

From South Lake Tahoe's downtown, many attractions only require the most simple form of transportation—your own two feet. Within an easy walk of the town's core, reach shopping, entertainment, and dining venues, as well as beach, snow, and marina activities.
