ROYAL FLYING DOCTOR VISITOR EXPERIENCE

We're open. You can now come and discover the wonderfully immersive Visitor Experience at the Royal Flying Doctor Service base in Dubbo. The Visitor Experience will enable visitors to get hands-on with the Flying Doctor!

See our unforgettable exhibition full of exciting, interactive displays that will give visitors a deeper understanding of how we work, and why the Flying Doctor is still so vitally important. The exhibition covers a broad range of topics including aviation, communication, history, healthcare, and much more.

Immerse yourself in the rich and vibrant history of the Royal Flying Doctor Service. Founded in 1928 by Reverend John Flynn (who famously appears on the 20 dollar note), the Flying Doctor continues this proud heritage today by providing crucial healthcare services to people in rural and remote areas of Australia.

From emergency medical care and evacuation to regular clinics for remote communities, the Royal Flying Doctor Service saves lives across Australia every day. In fact, with a national fleet of 71 planes strong and growing, the Flying Doctor assists more than 292,000 people every year – that's 1 person every 2 minutes!

Be inspired by the resilience, resourcefulness, and innovation of our pilots, engineers, doctors and nurses who operate across vast distances, harsh landscapes, and in far-from-ideal conditions. Learn about the experiences of the patients who are carried and cared for each day.

When you are done, take a sip of freshly brewed, barista-made coffee in our new Outback Trek Cafe, or simply drink in the views from our Observation Deck. Don't forget to pick up a souvenir in our extensive new retail space.

Our air-conditioned premises means that the Visitor Experience can be enjoyed all year round, in any weather.

Apart from being a fun and educational day out for all ages, the Visitor Experience contributes valuable resources to the Royal Flying

Doctor Service, helping to fund our much-needed work throughout country Australia.

We are proud to announce that the newly developed Visitor Experience is part of the exciting Great Big Adventure Pass. New for 2019, this convenient pass provides visitors with access to Taronga Western Plains Zoo, the Old Dubbo Gaol, the Wellington Caves and of course the Royal Flying Doctor Visitor Experience. VILLAGE VIBES

For a taste of true blue Australia and a dose of good old country hospitality, a cold beverage or an event with heart, make sure you include a stop in our unique villages on your travel itinerary.

BALLIMORE

This quiet village offers an ideal escape from the hustle and bustle, stop in for a leisurely meal or to stretch your legs before you continue your journey.

MUST SEE: Stop by the well-known Hair of the Dog Inn for some classic country fare, conversation and a drink amongst the locals.

EUCHAREENA

Drop by a village where history and community run deep. Though small in size, Euchareena has its own unique claims to fame, like in 1926 when a crop of 'Boomey Variety' wheat from Euchareena won the World Wide Wheat Championship in Regina, Canada.

MUST SEE: A number of original buildings still stand dating back to the time the village was formed in 1834 including the Euchareena School, which is one of only a few 'beehive buildings' still standing in Australia.

EUMUNGERIE

Less than 30 minutes drive from Dubbo and you are surrounded by hectares of stunning Australian landscape in Eumungerie.

MUST SEE: Avid bird watchers and naturalists are in their element in the nearby Goonoo National Park, where you can while away the day bushwalking, cycling and even horse riding on marked trails.

GEURIE

Situated right between Wellington and Dubbo along the Mitchell Highway is the quaint village of Geurie. Residents are delighted to play host to a collection of annual events that appeal to the equestrian enthusiast, including pony club camps, camp drafts, picnic races and the popular rodeo.

MUST SEE: Stop by Wise Park on the fifth Saturday of the month (when applicable) to browse the treasure trove of goodies to be found at the Geurie Lions Markets.

MUMBIL

The name 'Mumbil' comes from the Aboriginal word for black wattle which was once abundant in the area. This has inspired the name of Mumbil's major event, The Black Wattle Fair held each January.

MUST SEE: Mumbil enjoys an envious location as the closest centre to the shores of the Region's largest water sports playground – Lake Burrendong.

STUART TOWN

Formally known as Ironbark and referred to in the famous Banjo Paterson poem 'The Man from Ironbark', the village of Stuart Town was home to many hoping to find their fortune during the days of the NSW gold rush.

MUST SEE: Locals take great pride in their heritage and history, celebrating the Man from Ironbark Festival every year on Easter Saturday.

WONGARBON

Enjoy spectacular views across the hills and the woodlands of the nature reserve and the laid back country lifestyle in Wongarbron, less than 20 minutes drive south-east of Dubbo.

MUST SEE: Wongarbron is home to one of Australia's best figurative sculptors Brett 'Mon' Garling. Garling Gallery is housed in a century old restored shopfront, stop in to view the many paintings on display and meander through the sculpture garden.

Australia's prehistoric past is within reach at the incredible Wellington Caves. There are six marked walking trails which range from 30 minutes to a half day trek and vary in difficulty with all trails delivering spectacular views of the surrounding valley. Along the way you can enjoy spotting some 400 species of native flora and fauna that call the Reserve home along with many native Australian animals and birds. From comfortable and well-appointed caravan parks and campsites, to off the grid escapes in free camping areas, you will find somewhere perfect to rest your head. Enjoy the exhilaration of reeling in 'the big one' in one of our many rivers and lakes, or unpack the kayak and paddle the day away on the water. Enjoy the peaceful sights and sounds of the Aussie bush before you retire for a night under a blanket of stars.

If you have plenty of time to roam, keep a few days spare and take the long way home! There is always more to explore and the unspoilt surrounds of the Great Western Plains are a haven for native flora, fauna and wandering souls in need of respite.
